Parent Paint Night!

with Mr. Rico

CLASS STARTS:

SATURDAY, NOVEMBER 4th - 7:00pm-9:00pm

Need a break parents? Parent paint night is coming to Valley School for the first time, with Mr. Rico as the instructor! All skill levels are welcome! Parents will learn to approach art confidently and apply formal techniques to their paintings. Mr. Rico will be clear and eliminate your frustration by sticking to step by step instructions as you paint along. This will strengthen your understanding of the painting we'll be doing (left) and necessary concepts like shading, scumbling, stippling, and color theory. Class will take place on campus in the gymnasium, and will begin promptly at 7:00pm. The cost of this course is \$40. This covers all the supplies needed for the

evening and two hours of art direction. Please note that no children are allowed to this event as it is B.Y.O.B. and intended for parents to relax and unwind. There will be a FAMILY PAINT night soon!
