Helping Families Afford Valley School

2020-2021 School Year

We understand that a research-based, multisensory and personalized education requires a significant investment from families. The Valley School Alumni Fund Association (VSAFA) was created to support and fund programs that benefit students at Valley School. A portion of the VSAFA endowment fund is set aside for Tuition Assistance and to support families with multiple children enrolled at Valley School.

Tuition Assistance Applications are due by May 1, 2020. Applications will be accepted afterwards, but funds may not be available. Families will be notified by July 31, 2020 if they will be receiving Tuition Assistance.

Not all families who apply for Tuition Assistance will be awarded assistance. The final decision is made by the VSAFA board and will be based on the financial aid budget, school's policies, applicants' supporting financial documents, and the needs of the family outlined in the application letter.

Multi Child Family Tuition Assistance

All families with multiple children enrolled at Valley School will be awarded a 15% tuition discount for each additional child enrolled. The discount applies to the lower tuition amount. Families do not need to apply for this discount, it is automatically given. This discount cannot be combined with staff discounts.

Generous donations from individuals make Tuition Assistance possible!

Anti-Discrimination Policy

VSAFA and Valley School welcome students and staff of all ages, races, nationalities, genders, religions, gender identity, and sexual orientation. We do not discriminate in admission policies, hiring practices or Tuition Assistance distribution.
